

The image features a vibrant, multi-colored watercolor background in shades of pink, purple, blue, and green. In the center, a small, golden-brown teddy bear is positioned. The word 'embracing' is written in a large, grey, sans-serif font above the bear, and the word 'hope' is written in a similar font below it. A thin yellow halo is drawn around the letter 'i' in 'embracing'.

# embracing hope

Regular giving for exceptional care & support

## Embracing Hope – Regular Giving Terms & Conditions

1. Subscriptions must meet 12 months commitment from first regular giving payment, prior to bear donations being processed and gift sent to Diamond, Platinum & Titanium supporters.
2. Embracing Hope cards are sent out for special dates that occur after the first regular giving donation is scheduled (not the one-off donation you first make when subscribing).
3. If the special date falls after your one-off donation and before your first regular giving donation is scheduled, a minimum of \$25 must be made as the one-off donation in order for your card to be sent. Alternatively, the card won't be sent until after we receive your first regular giving donation.
4. Cards are only sent out for special dates that occur after you subscribe.
5. Whilst all efforts will be made, Bears Of Hope cannot guarantee the arrival date of the selected special date card.
6. Monthly regular giving selection is highly preferable.
7. Any changes made to your subscription e.g. cancellations, renewal or change of address, please notify us by emailing [regulargiving@bearsofhope.org.au](mailto:regulargiving@bearsofhope.org.au). Bears Of Hope are not automatically notified if you make changes to the details in your Gofundraise account.
8. In the event that a subscription is cancelled or becomes inactive, an Embracing Hope card will still be sent if a minimum of \$25 has been received within the 12 month period. Acknowledgement of your sponsorship and Garden of Angels entry will be removed once donations cease.
