Width: Min.300mm Max. 420mm

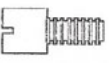

BEFORE ASSEMBLY

- Unpack all the parts and identify them against the fittings and components lists
- Do not discard any packaging until you are sure you have all parts and the pack of fittings.
- If any parts are missing or damaged contact us
- Read the instructions thoroughly before attempting to construct the stand
- Follow each stage of construction step-by-step.

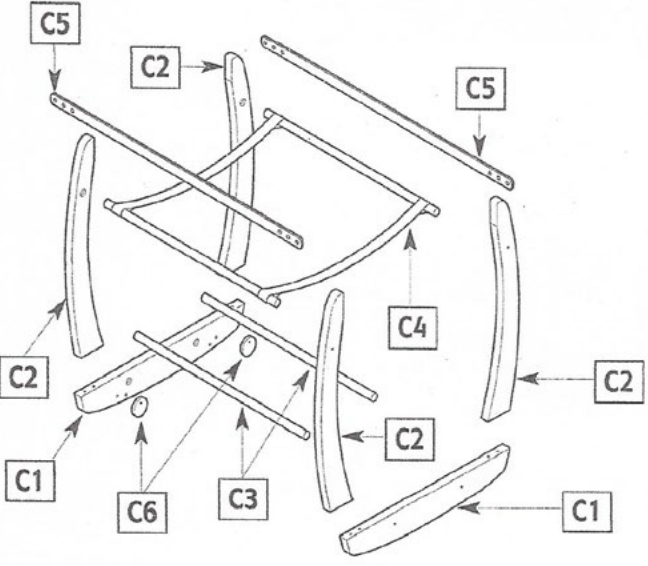

INSTRUCTIONS FOR SAFE USE

- **WARNING:** Use only on a firm ground which is horizontal, level & dry
- **WARNING:** Do not let other children play unattended near the basket and stand
- **WARNING:** Do not use if any part is broken, torn or missing.
- When the stand is not in use it must be folded and put away out of the reach of other children.
- Carelessness causes fire. Never leave your basket close to any source of heat.
- Do not attach anything which may affect the stability of your basket stand. To avoid danger of suffocation, keep all plastic packaging away from other children.
- The stand can be cleaned with a damp cloth, never use bleach or harsh abrasives.

TOOL LIST

	Cross-head Screwdriver To fit screws: F1, F2 & F3. F4.
---	---

Step 1

One of the rockers (C1) has four pilot holes drilled into its inner face. Screw the two feet (C6) into the inner two pilot holes using two 20mm screws (F3). Screw the foot stoppers (F4) into the outer pilot holes. Tighten the two feet (C6) until you are just able to rotate the feet.

Step 2

Screw the uprights (C2) to the two rockers (C1) using the 50mm screws (F1). Ensure that the large pilot holes for the dowels are on the same side of both the uprights and rockers.

Step 3

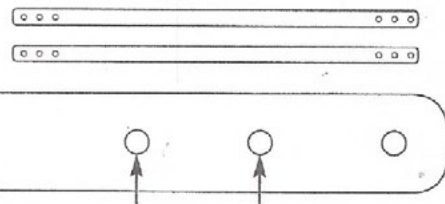

Slot the two dowels (C3) into the large, lower holes in one of the stand ends. Fasten the dowels into place using two 40mm screws (F2).

Step 4

Slot the ends of the dowel and webbing support (C4) into the large, upper holes of the stand end. Fasten the dowels into place using two 40mm screws (F2).

Step 5

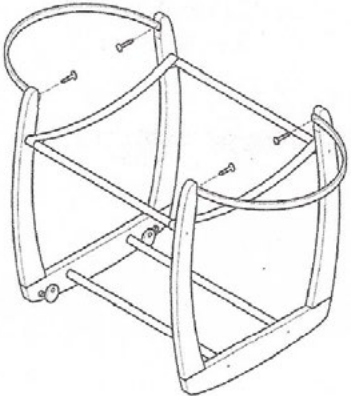

Slot the ends of the dowels into the large holes in the other stand end and secure them with four 40mm screws (F2).

Step 6

The plastic strips (C5) have three holes in their ends, ensure that you have fitted the screw through the correct hole before attaching it to the upright.

BASKET & LINEN ASSEMBLY

FOR PRESENTATION & DISPLAY PURPOSES ONLY.
For 'Cuddle Cot Use' assembly, please see page 11.

1. Open Shnuggle air liner packaging. Turn the liner inside out and place inside the Shnuggle basket, ensuring the handles are placed through the gaps in material.

2. Open Bears Of Hope Linen Pack. Take the liner and turn it inside out. The liner will then be placed over the top of the Shnuggle liner.

3. Remove plastic from mattress, place fitted sheet on it and place inside the Shnuggle.

4. Place doona inside Shnuggle and tuck in under mattress.

5. Assemble embroidered hood, as per instructions located on page 10.
6. Assemble the stand, as per instructions provided on pages 4-6.

BASKET HOOD ASSEMBLY

FIG. 6

- **STEP 1:** On the under side of the hood you will find 2 small sleeves where the plastic ribbing is to be inserted.
- **STEP 2:** Slide one piece of the plastic ribbing through sleeve until it reaches the other side of the hood. Repeat with second piece of ribbing (FIG.1 & FIG 2)
- **STEP 3:** Take the screw and spacer and push outwards (from inside to outside) through the shnuggle near shnuggle handle. (FIG.3)
- **STEP 4:** Once both pieces of ribbing have been inserted and pulled through, match up the screw holes. Place the two pieces of plastic ribbing over the screws you have just inserted. (FIG.2 & FIG 4)
- **STEP 5:** Slide on second spacer and screw the wing nut into place. Tighten as desired. Repeat on other side. (FIG.5)
- **STEP 6:** Bring both elastic loops down and secure them over the wing nut and screw. (FIG.5)
- **STEP 7:** Tie to cotton bumper up over the wing nut and screw. (FIG.6)
- **STEP 8:** Pull elastic hood over the back of the shnuggle.

BASKET & LINEN ASSEMBLY

FOR CUDDLE COT USE ONLY.

1. Remove plastic from mattress, place fitted sheet on it and place inside the Shnuggle.

2. Take the silver insulation & cooling pad from the blue Cuddle Cot box. Place the silver insulation on top of the mattress. Use double thickness and place the silver side upwards.

3. Place the cooling pad on top of the silver insulation in the basket. Ensure the two hoses which lead from the pad are exposed and pushed through the basket.

A thin sheet can be used to cover the cooling pad. (Thin sheet not provided by Bears Of Hope)

4. Install the basket lining as follows:
- Open Shnuggle air liner packaging. Turn the liner inside out and place inside the Shnuggle basket, ensuring the handles are placed through the gaps in material.
 - From the Bears Of Hope Linen Pack; take the liner and turn it inside out. The liner will then be placed over the top of the Shnuggle liner and mattress.

5. Place Bears Of Hope doona into the Shnuggle, ready for use.

6. Assemble embroidered hood, as per instructions located on page 10.
7. Assemble the stand, as per instructions provided on pages 4-6.

* Please refer to the Cuddle Cot Instruction Booklet inside the Blue Box for how to operate the cooling system.
